### Exercise

Our Exercise schedule has been modified since last week. If your balcony faces the main courtyard or the courtyard between the A & C Buildings, **please join us for exercise from your balcony**. If your apt. balcony isn't facing these areas we will provide a few chairs for these residents to use. We ask that you attend exercise in the courtyard closest to you. (We will do the same for our Courtyard serenades). Below is the exercise schedule we will now be following in April:

**Mondays and Thursday at 10:00 AM Exercise in Main Courtyard**

**Tuesdays and Fridays at 10:00 AM Exercise in the Courtyard between A/C building**

Everyone needs to be **6 feet** away from each other.
